## Deliverable explanation

SAFE STRIP Project video is the self-explanatory deliverable D7.6 which is part of the Activity 7.1: Dissemination plan and actions. The video has been developed as a two tier video with two versions:

- first version of the video created for the ITS European Congress 2019 in June 2019.
- second and final version of the video including the Scientific Advisory Board interviews, SAFE STRIP installation, HMI tests and demonstrators.
